Navy CLEAN II, District III  
Contract Task Order (CTO) 0199  
Naval Station Norfolk, Virginia  
Draft EE/CA for Pond Area

Dear Ms. Johnson:

Enclosed are three (3) copies of the Draft Engineering Evaluation and Cost Analysis (EE/CA) for the pond area at the Camp Allen Salvage Yard. The Draft EE/CA considers various removal action alternatives for the pond area. Based on this evaluation, the preferred alternative calls for placing a minimum one-foot soil cover over the pond area, and the installation of interlocking concrete erosion control matting over the soil cover.

Copies of this submittal have been sent to the other members of the Naval Station Partnering Team.

Baker appreciates the opportunity to provide support to LANTDIV and Naval Station Norfolk. If you have any questions regarding this matter, please contact me at (757) 631-5416.

Sincerely,

BAKER ENVIRONMENTAL, INC.
